

2022 Camp Confirmation Packet

Dear Parents and Campers,

I'd like to introduce our new Lacrosse and Field Hockey Leadership Camp for Girls to you. We have designed this camp to address a void in the growing lacrosse and field hockey communities. While players are spending time playing for sometimes multiple teams, there appears to be a lack of leadership and team building development. We have found the perfect facility for this camp—the Hotchkiss School. This locale offers us the best of both worlds—a top-notch training environment with several athletic fields, along with a traditional camp setting that comes complete with school dorms, a dining hall, and a lake.

At camp, we will help campers learn about being part of something - a team or cause - bigger than themselves. The camp will combine outstanding lacrosse and field hockey instruction with off-field camp activities designed to promote teamwork and teach leadership skills. At the end of camp, we want all campers to not only be better players, but also recognize how as leaders they can be more valuable to their team, their school, and their community.

On behalf of our staff, I look forward to the opportunity to meet and work with you this summer.

Best regards,

Kim Williams, Lacrosse Director
Head Coach, Wesleyan University

Our Mission

Lacrosse & Leadership is a summer camp experience where your child will have the opportunity:

- 1) To develop her lacrosse skills.
- 2) To learn what it means to be a great teammate.
- 3) To learn how to become a more effective leader.
- 4) Finally, we will participate in several outdoor activities that will allow your daughter the opportunity to enjoy just “being at camp.”

Health and Safety

We want to ensure your child a safe and positive environment during their time at camp. Campers are expected to abide by the camp rules and live by our core values.
