Cell Phone Policy

In order to provide the ideal camper experience, we believe in limiting the use of cell phones and other electronic devices while at camp. Use of phones is not permitted during the instructional blocks of camp, including on-field and classroom sessions. We feel this will minimize distractions to the learning environment, help maintain an inclusive atmosphere and alleviate potential problems that can detract from the overall experience for everyone.

Phone use will be allowed during in the mornings prior to morning session, at lunch, and for overnight camps before and after the evening session. We will still encourage players to minimize their time on devices in order to interact and engage with other campers, but understand they might want the chance to call home, text friends, etc.

Checklist of Things to Bring

Below is a suggested list of items to bring to camp. We suggest that campers do not bring expensive personal items such as cameras, iPods/iPads, etc. Cell phones are allowed in the dorms and dining areas, but not on the field during training sessions. Please label every article you bring to camp. All items will be the responsibility of the camper. GameBreaker Lacrosse and its camp staff are not responsible for lost, stolen or forgotten items.
